Committee: Joint Special Session Committee On Transportation  
Funding

Measure, Appointment or Topic: HB3992

I am totally and completely against these bills, or any bill for that matter, that will take more of my hard earned money. Oregon government has a documented history of not being good stewards of OUR MONEY.

Oregonians cannot deal with higher taxes or fees.

Every single elected official needs to listen to and represent their constituents by voting NO on these transportation bills.
