Funding

Measure, Appointment or Topic: HB3991

I am vehemently opposed to increasing the gas tax and any increase to DMV fees. Oregon is one of the highest taxed states in the nation. We definitely don't need to increase taxes - it is time to find monies from the general fund to cover the deficiency in the ODOT budget. Also, only the most needed projects should be undertaken. Our road maintenance should be forefront and center. Bike lanes can wait until we can afford to install them.

NO NEW TAXES.
