No more taxes. I strongly oppose HB 3991. Start managing our money better! I oppose any new taxes, fees, and licenses on the citizens. ODOT has already mismanaged over 1 billion dollars and needs to make some cuts, starting with DEI and any other social agendas. This bill does nothing to help our current situation. Fix the current ODOT problems using the current budget, show taxpayers where past funds went (audit and accountability), and stop threatening to fire maintenance workers when other solutions are possible

(get rid of DEI)

ODOT needs to reduce administration costs and waste. I say no more money to those who cannot manage current funds, balance the budget or be transparent!
