I oppose raising taxes. I say no, to all of it. I can barley make it each month with putting food on the table, gas in my car, and praying for a car registration and rent. We the people do not need higher taxes are you kidding me! We have the homeless on the streets, in our neighborhood that need to be dealt with. We drugs on our streets let alone crime in our streets that has been running rapid. I am tired of the agendas that have nothing to do with helping Oregonians.
