

To: Joint Special Session Committee On Transportation Funding

Regarding: Transportation Bill HB 3991

I am in opposition to this bill as it will raise our taxes even higher than they already are and will make it even more difficult for those on a fixed income to make ends meet. The Republicans came up with a way to save money and redirect funds so that you do not have to raise taxes any higher.

I strongly suggest you look at this plan.

Thank you for your time and careful consideration.
