I oppose raising taxes. I say no, to all of it. I can barley make it each month with putting food on the table, gas in my car and paying for my car registration and rent. We the people do not need higher taxes, what we need is for Tana Kotek to get the homeless off the streets and out of our neighborhoods. We need drugs also removed along with the crimes that have been occurring all over Oregon. I am tired of the agendas that have nothing to do with helping Oregonians. NO on Taxing period!
