Measure, Appointment or Topic: HB3992

I oppose HB 3992 because it goes hand-in-hand with HB 3991, declaring an emergency so they can not only reallocate funds among state agencies but also to raise their spending limit. No wonder more taxes and fees have been proposed! How is more spending going to fix the problems your constituents face every day. The government should not get to vote themselves a spending increase without taxpayer approval. Trust has already been breached because the money has not been going towards the most important projects as promised. Audits first, then we can talk about raises in expenditure with Oregonians' tax dollars. Please vote no on HB 3992.
