When will democrat members get it through their collective heads that taxation is theft. Even worse is the mismanagement of the funds available & provided by the Oregon taxpayers. You are systematically driving the middle class (the tax base) right out of Oregon. Just like California has done. You can & must do better with the funds available. Redistribute, reallocate, and use OUR tax dollars prudently. Enough is enough. I would bet none of you can operate your household budget the way you try to operate the ODOT. Wise up! You will be voted out if you can't see the economically destructive path you are taking. VOTE NO on HR 3992.
