No new taxes. We have a spending problem, not a revenue issue.

55% of gas tax already goes to debt.

- Funds should go to maintenance and operations, not pet projects.
- Oregonians shouldn't carry the burden of poor management.
- Giving an unelected body unconditional power to raise taxes is unconstitutional.
- Government should live within its means - just like the rest of us.

Oregonians cannot bear this tax increase, listen to the 97% of tax payers who oppose this increase.
