NO NEW TAXES. PERIOD.

I'm absolutely appalled at what Oregon has become with this alternate funding scheme like this using ODOT as a pawn due to the governor of this state refusing to change sanctuary state status and that is the real reason we aren't getting full federal funding. The fact you wanna raise gas taxes, and all the other payroll tax increase proposals and everything else is completely disgusting.

We simply can't even afford to live now as it is. And how this??

I ATTIMENTLY OPPOSE ANY NEW TAX INCREASES. PERIOD.
