Funding  
Measure, Appointment or Topic: HB3991

I AM OPPOSED TO THIS BILL IN ITS ENTIRETY!

Why? Because of the incompetence and malfeasance of the State of Oregon and ODOT in management of transportation monies. One Billion dollar shortfall in ODOT budget, projected cost increase in the Rose Quarter project, Central Bridge retrofit etc.

No taxes or tax increases by non elected bureaucrats or boards. No toll roads or their authorization.

If you want mass transit and bicycle lanes fund it from some other budget!

I supported the Republican transportation bill from the regular session!  
NO ON THIS BILL!
