Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3992

If the majority of Oregonians are against this taxation bill, who are our legislature representing? Not us!

Please keep out maintenance people working by using money from projects and departments that are no longer benefiting Oregonians and not increasing taxes and fees.

Get back to basics. If G Kotek insists on DEI and climate initiatives get the money from someplace other than road and gas taxes.
