As a long time Oregon Resident, and having lived in the Eugene Area since 1979, I along with all but one person I know in my large world of Oregon Lovers, Absolutely Do not agree with this back door shady ass democratic slime fest. Once again because the ruling party didn't get their way in proper voting, they have schemed a way to attempt to force the Oregon People to bow to their greed and wishes. What happens when The MAJORITY quits paying taxes...? or quits going to work to make a statement. What Happens when The Working class of Oregon says piss on this stupidity and moves out the state. But I feel that's what Kotek and her cronies want; they want a New California... How about the Powers in Salem actually do your Job and Slim down all the wasteful spending in areas we all know are just fleecing Worthless lazy political pockets. NO TO ANY NEW TAXES DO YOUR DAMN JOB. FIX THE BROKEN SYSTEMS ALREADY IN PLACE. If it can't be fixed, DUMP it and start over fresh with NEW HIRED HELP.
