To start it's rather pathetic the governor can't even show up in person for a bill she is pushing. There are reports that Oregon has 1 Billion dollar surplus and you still need to raise taxes because you cannot control your own spending. Why do democrat ways assume the everyday person and tons and tons of money to blow on taxes? Why is it when state workers face layoffs they can just have the legislature raise our taxes so they can keep their jobs? I don't see anyone of you clowns bending over backwards to help us keep our jobs. NO NEW TAXES! If you do raise taxes I hope every democrat and the governor are out of a job come elections.
