I stand in firm opposition of HB3991. In this crumbling economy, Oregonians are already struggling to make ends meet. Inflation is up. Expenses keep climbing. Wages can't increase enough to keep up. And yet, top "leaders" in Oregon are trying to increase our taxes in the largest tax hike in the history of Oregon. Oregonians will no longer stand by and be abused in this way! It's time for Oregon government to be wise and work within their budget, as Oregon citizens are having to do.
