

Submitter: Donna Larson

On Behalf Of:

Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3991

We already pay too many taxes. Use the gas taxes for what it is supposed to be used for..... fixing roads and employing people in odot. Not all the other crap that you fund with this money. You people need to cut your spending and be more responsible to the majority who pay taxes. Don't spend 80% of our taxes on 10% of the people or refugees. Get your act together.
