It is my humble opinion that no new taxes should be upon the citizens of Oregon as long as there is any issue with waste of state dollars. It is time that our misrepresentative listen to their constituents and do what they have been elected to do, and that is represent the people of Oregon and their wishes.

Vote no on these new taxes and get odot figured out as to where all the money goes. Then perhaps we will find that we do not need any more taxes. Live within your budget.
