Measure, Appointment or
Topic: HB3991

To opposed any new taxes in Oregon for any reason. We have a hard enough time making ends meet as it is. You throw the number out of only \$328 a year is what it going to cost us which is very misleading. As everything we purchase will be impacted, which will magnify that many times.

No new taxes! Figure out where the money goes, and it is obvious that odot has some real issues with their bookkeeping and budgeting.
