Measure, Appointment or Topic: HB3991

No on HB 3991, ODOT has enough funding to operate the essential services. They need to prioritize what is needed for Oregon and stop wasting our taxpayers dollars. They need to put the needs of Oregonians before the wants just as each taxpayer has to do in their own budget. No to any new or raising of current taxes or fees instead find where ODOT is wasting money and redirect it towards the essential services needed by Oregonians.
