Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3991

I stand in opposition to HB3991. It is the height of arrogance for Oregon's governing powers to propose this level of taxation on a citizenry already fighting to just scrape by! Rather than cramming such tax schemes down our throats, you would better serve us by focusing on operating within the present state budget. We have to live within budgetary constraints, why can't you?
