I was born and raised in Portland, Oregon now living in Seaside, Oregon. I can no longer keep up with the costs of living in my once beautiful State. I cry seeing what has happened to Oregon in the last 50 years of my life. Corruption in this state is out of control and the KINGS & QUEENS of Oregon have destroyed her.

My water bill in Seaside jumped another \$40 dollars because Governor Kotek has decided to tell us small towns we need to build new low income housing for the Homeless that have been bused into this small town. Our taxes are up and we are building HUGE buildings for HOMELESS & ILLEGALS that will fill these I'm sure.

We have been taxed and re-taxed and we can't take it anymore. 58% of Oregonians have moved OUT as to the 42% moving in. ALL BECAUSE OF DEMOCRAT CONTOL. We once was a red state & balanced when democrats & republicans got alone. (I was a Democrat for 45 years) We were happy Oregonians back then. We are sad and broke now. Senior Citizens can't afford to eat. Why are we paying property taxes when our homes are paid for? What is this now RENT?

WE MUST 'END VOTE BY MAIL" AND GO BACK TO THE OLD DAYS OF FAIRNESS IN ELECTIONS AND KICK THIS CORRUPTION OUT OF OREGON. One day voting, ballots counted in 24 hours, NOT extensions for cheating! It's been proven and we were sued by JUDICIAL WATCH & THEY WON THE CASE FOR 'WE THE PEOPLE!" Praise the Lord!

Oregonian legislators of all parties must come together and say enough is enough!! NO MORE TAXES OF ANYKIND! ODOT MUST LEARN TO DEAL WITH THEIR OWN FUNDS AS WE DO WITH OUR PERSONAL CHECKBOOKS. Who allowed them to take money and INVEST? HOW IS THIS LEGAL?

Since Biden, I have had to pull \$1000 out of my retirement a month to get by. OUR GAS PRICES KEEP GOING UP WHEN OTHER STATES ARE GOING DOWN. EGGS \$4.29 AT Safeway.
. I PRAY FOR MY CHILDREN & GRANDCHILDREN FOR A BETTER OREGON, or head to Idaho.
