Measure, Appointment or Topic: HB3992

I am opposed to any new ODOT funding and any new taxes for ODOT. They have plenty of money, and it is due to mismanagement that our roads and infrastructure are falling apart. We are already over-taxed and burdened by the incompetence at every level of Kotek's administration. There would be plenty of money to fix roads and build bridges if all of the top executive took a 10% pay cut.
