Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3991

No more taxes. We cannot afford any more increases. I would want an independent audit, outside of Oregon. Not a department within our government to audit ODOT. I would also like the bills to specifically spell out how this money is to be used. For roads only. Not special projects, not rose quarter expansion not anything other than road maintenance. I'm tired of the blank check saying we are funding something only to never have the service provided. No new taxes!
