RE: OregonSpecialSession on HB 3991

To all Senators and Representatives

I am Alan Conner at 7400 SE Otty in Clackamas County.

I am sending in written testimony regarding any type of tax increase as well as new taxes for instance any type of per mile tax and any Oregon road tolls.

We Citizens of Oregon have a heavy tax burden as against all of us and the Legislators and the Governor want to increase across the board.
No, No, No , No more taxation or increaeses is my answer.

Your fuel increase and added trucking expenses will also add major expenses that I have to now absorb or to pass onto each customer already.

Container delivery fees are very costly for residential customers who purchase from my company and any payroll tax in crease is just taking money from hardworking Oregonians.

I stand opposed to this bill.
