Measure, Appointment or Topic: HB3991

As a long time Oregon resident and a former ODOT worker for over 30 years, I completely OPPOSE any gas tax increases and any increases in fees.

There are no good, sound, or rational reasons for the proposed tax and fee increases. The State politicians and managerial bureaucrats need to fully eradicate all unnecessary projects and unrelated costs. I most sincerely implore our fellow citizens and representatives to firmly reject any further taxes or fee burdens upon Oregonians.

Please dear God, save America and save Oregon.

Most sincerely implored by:

James Lee
