Measure, Appointment or Topic: HB3992

I am submitting my testimony for HB3992. I am OPPOSED to this bill. There should be zero funding to ODOT administrators. ODOT administrators need to show where the money is being spent. They need to learn to budget and re-prioritize their spending safe roads and infrastructure. No climate nonsense(electric buses). Fix the potholes Do not cut Maintenance works!! I and voting with 95% of all Oregonians and saying NO to HB3992!
