Measure, Appointment or Topic: HB3991

Governor Kotek,

Why would you call a "special session" to push a bill through on a holiday when people are traveling with their families on much needed vacations? This just isn't honorable. Most people here in Astoria do not agree with these tax hikes. We have heard that you are also on vacation and are not even present at your own "special session". Please consider the people that you are responsible for.
