Subject: Opposition to Fuel, DMV, and Transportation Tax Increases

Dear Oregon Legislative Committee,

I am writing to express my strong opposition to the proposed 0.6 cent increase in Oregon fuel taxes, as well as any additional increases to DMV fees or other transportation-related taxes.

These continued increases place an undue burden on Oregon residents and businesses who are already facing high living costs. I believe that instead of raising taxes, the state should prioritize more efficient use of existing transportation funds and explore alternative solutions that do not further strain taxpayers.

I respectfully urge you to vote against these proposed increases.

Sincerely,  
Katarra Sigurdson
