

Submitter: Michael Brainard

On Behalf Of:

Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3992

It appears Democrat legislators on the Joint Committee are Blind, Deaf and Insensitive.

506 testified in opposition, 5 in support and 3 Neutral Testimonies.

The Joint Special Committee passed this on party lines on August 31st. Voters should recommend sending the democrat legislators to have a wellness check because you clearly are not responding to your constituents who are calling for no new taxes. Republican have a brilliant plan to fund ODOT without even increasing taxes, yet the democrats refused to even consider the bill.

I hope voters remember this blunder when they go to vote in May; the current Governor and most Democrats don't give a crap about the voters, they only care about their donors.

Also HB 3992 should be sent to Ways and Means which is where ALL budgets bills go before going to the chamber.

Lastly where is the author of this bill? Tina Kotek should have been present to face her constituents .
