Measure, Appointment or Topic: HB3991

Just a short statement from me. I live in Portland. I am not sure how much more the Legislature wants to pile on us, the citizens of Oregon. But it seems endless. Do you believe we are a bottomless pit of money? And down the line are tolls on our roads as well. We already are experiencing higher costs on everything one can imagine. I urge you to vote no on this measure.

Best regards,
