OK I will say it again NO NEW TAXES! With that being said .. do I believe there will be an audit of odot? Not a real in depth look at what really needs attention. The money spent on studies for the i5 bridge replacement could have been put to better use elsewhere. And if money is to be used for the roads and bridges ect then use it for that NOT THE GENERAL FUND where it is siphoned off for mass transit and illegals-drug rehab-homelessness-mental illness which is never addressed. More money is wasted or misrepresented as for ngos who can't say where the money goes.
