Committee: Joint Special Session Committee On Transportation  
Funding

Measure, Appointment or Topic: HB3992

I oppose HB3992 and this special session. You can budget and make cuts like we all have to do. You mismanaged our money and more you need to live with it. There should be no increase in gas tax as they are already too high. There should be no allowing for increases at forgot dates without legislators or citizens voting. No blank check to ODOT. That would be crazy.

NO ON HB3992 IT'S BAD FOR OREGONIANS
