Committee:	Joint Special Session Committee On Transportation Funding
Measure, Appointment or Topic:	HB3991

Is my opposition to HB 3991 still valid? This special session is the most unorganized cluster I have ever witnessed! It seems every day there is a change made to some aspect of the bill, does that invalidate my prior testimony?

Dear legislators, please close this special session and go home. Leave us alone. Our dwindling income is at risk every minute you are in session. You have failed the people, you have failed Oregon. Crawl back under the rock from which you came and give us some peace.
