ODOT has billions of dollars and has a spending issue. ODOT spent \$358 million on debt last year.

Tina Kotek did not even show up for the special session this holiday weekend. Oregon legislators cut short weekend holiday plans to show up for this bill. Many Oregonians showed up to give testimony to oppose the biggest tax hike in Oregon history. Meanwhile, Tina Kotek was vacationing in Astoria shopping while her house is being renovated on taxpayer dollars.

Do you think the average Oregonian wants to pay more taxes for gas, and DMV? 95 percent of Oregon respondents are opposed to this legislation. More taxes is not the answer to fixing ODOT!

Stop taxing hard working Oregonians!!!
