I'm opposed to these new taxes in this special ODOT spending bill session. We don't need more taxes we need less spending on pet projects. You will have innocent blood on your hands if you don't maintain roads and plow snow. People will die and emergency personal can't get through. But you don't need more taxes to do this you need less spending on pet projects less administrators lower pay at the top.less wasteful spending. People and businesses are leaving our state because of costs to be here. Please vote no on new taxes.
