Measure, Appointment or Topic:	HB3991

I STRONGLY OPPOSE any part of this plan that raises taxes for Oregonians in any way! Oregonians and their businesses are continually being financially raped by their legislator's proposals, bills, taxes, fees and laws. Find ways to lower taxes and costs for all Oregonians! Many of us are wondering how you can keep taking money from special interest groups to pass these kinds of bills that screw the Oregonians who elected you in good faith.
