Public Statement

Oregonians are struggling to keep up with the rising cost of living, and HB 3991 and HB 3992 would only make life harder. These bills raise gas taxes, double payroll taxes, increase car fees, and pile on new road and fuel charges. That's not relief that's punishment.

Families, workers, and small businesses simply cannot afford these new burdens. Legislators must understand: voting for these bills is a direct vote against the people of Oregon. No amount of union money or political spin will cover that up.

Oregonians are paying attention. We will hold every legislator accountable for their vote on HB 3991 and HB 3992.

HB 3991 and HB 3992 are nothing but a tax assault on every Oregon family. Higher gas taxes. Doubled payroll taxes. Increased car fees. New road and fuel charges. Enough is enough!

This fight is about standing up for working people, not politicians or their union backers. If they vote YES, we will remember. We will organize. We will recall. We will vote them out.

Oregonians are watching every move, and this time the people not the politicians will decide the future of this state.

Say it loud and clear: Vote NO on HB 3991 and HB 3992!
