This bill will only hurt the people of Oregon.

We are already struggling just to pay our bills

And yet you have the gall to even suggest increasing our tax burdens to fill the  
hunger of government?

Taxpayers are NOT servants to the government. The government are servants to  
the citizens.

Every "Yea" vote is an insult; a spit in the face of the taxpayer.

Every "Yea" shows pure contempt for us. We are not even people to you. We're just  
an animal that is harvested.

Imagine how sickening it was to watch our ""representatives"" patting themselves  
on the back, smiling as if to say to us all "We got away with it, and we keep getting  
away with it!"

This bill is evidence that the Democrat party is rigging the vote in Oregon, because  
how else could they so flagrantly defy the will of the people? They certainly have no  
fear of being voted out. They have no fear of voter reprimand. It's a party of  
tyrannical cronyism and this is the receipt.
