Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3991

I'm a union laborer working my butt off to just survive, I will never be able to afford to buy a home, gas prices through the roof and us union laborers have to commute to our jobs all over Oregon, give us a break and don't pass this bill, help out the working class who don't want a free ride but just want to be treated fairly. ODOT should be held accountable for there mistakes, not hard working Oregonians.
