Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3991

This bill is destroying our beautiful state. Young people cannot afford to buy homes. Taxes just keep being raised. Gas tax, road tax, cost at DMV etc. this is just getting out of hand and we need to get this under control. Our governor is creating a carbon copy of California and we do not want that. People will start leaving this state in droves if we do not get this under control.
