Duties

The Oregon Educational Act for the 21st Century established quality education goals for the state's K-12 public schools.⁴ The commission determines the amount of funding needed to meet those goals.⁵ The commission must⁶

- each biennium, determine the amount of moneys sufficient to ensure that the state's system of K-12 public education meets the quality goals;
- identify best practices based on research, data, professional judgment, and public values that lead to high student performance and the costs of implementing those best practices in the state's K-12 public schools; and
- each biennium, issue a report to the Governor and the Legislative Assembly that identifies
 - current practices in the state's system of K-12 public education,
 - the costs of continuing those practices,
 - the expected student performance under those practices, as well as
 - the best practices for meeting the quality goals,
 - the costs of implementing the best practices,
 - the expected student performance under the best practices, and
 - at least two alternatives for meeting the quality goals.
