

Submitter: Steve DeAngelo

On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: SB916

As a 43 year food service operator in Tigard, Oregon, I am deeply concerned that you would consider having small business that is not associated with unions pay strike benefits with increased unemployment insurance cost. The national average for the margins in our industry at 3 to 5%! The entire concept goes against unemployment rights as we know them and the intent.

.

Please vote no, or continue to put small business out of business.
