On Behalf Of:
Committee: Senate Committee On Labor and Business
Measure, Appointment or Topic: SB916

RE: Support for SB 916

To the Senate Committee On Labor and Business,

The blame is on the establishment not the employees!! They need to keep fighting the good fight. Please don't make them choose between their livelihood and what is right for all!!

Thank you for accepting my testimony and I look forward to your support.
Michelle E. Grubb RN
