On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: SB916

My name is Joyelle and I'm a postpartum RN and a member of ONA union. I support SB 916 which would repeal the law blocking unemployment benefits to workers on strike. This bill would help ensure that workers are able to stay afloat while fighting for a fair contract.

I need help fighting for a fair contract. It feels like Providence is just waiting till my savings run out so I'll have to cross the line. Having a fair contract is important to me and I don't think it's right that I'll have to risk going into debt to get one.
