On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: SB916

My name is jeff atherton and I'm a machinist and a member of IAM machinist union. I support SB 916 which

would repeal the law blocking unemployment benefits to workers on strike. This bill would help

ensure that workers are able to stay afloat while fighting for a fair contract. Ending this exclusion of UI benefits for strikes that go over 7 days will help make sure that workers

like me can continue to pay our rent, feed our families, afford prescription drugs or pay our COBRA

health care payments while out on strike. This will mean that we aren't forced into an unsafe or

unfair contract just because the employer can starve us out. And those UI payments will work as

intended: to also put money back into the local economy at times of economic distress.

Strikes are always a measure of absolute last resort. Please help ensure that workers like me –

nurses, teachers, grocery and construction workers and so many more – are not forced into unsafe

or unfair contracts simply because we can't afford to exercise our legally protected right to strike.

Please vote yes on SB 916
