Oregon will continue it's doom loop if this passes. This bill is not fair to the Oregonians who don't strike and is funded by those Oregonians. This bill is a blatant freebee for the unions paid for by the non union Oregonians. Driving a wedge between Oregonians is no adult way to run a State. Unemployment withholdings will have to increase or a tax will have to be imposed in order for the funding for this bill to work. Please stop chasing Oregonians away from this beautiful state.
