Measure, Appointment or Topic: SB916

Dear Chair Taylor, Vice-Chair Woods, Vice-Chair Pham, and members of the Senate Labor & Business Committee,

Thank you for the opportunity to comment on SB 916. I am writing to urge you to OPPOSE SB 916 bill and protect Oregon's Unemployment Insurance System.

I am a voting resident in Hillsboro, Oregon. I do not think this bill is a good use of the Senate's time and risks increased costs for all Oregonians through taxes or the use of income protected strikes being used as a negotiation tool.

Thank you for the opportunity to comment and your support in OPPOSING SB 916.
