Measure, Appointment or Topic: SB916

I am writing to oppose SB916. This is a horrible idea. Please stop coming up with these wildly misguided plans that will only hurt our society as a whole--we do not live in a socialist democracy for a reason--please go read some Federalist papers and de Tocqueville. I just changed my registration from Democrat to Independent today because I can no longer tolerate being part of a party that has so completely lost its way and supports such extreme legislation.
