Measure, Appointment or Topic: SB916

[YOUR NAME, if providing your name vs. testifying anonymously]

[DATE]

RE: Testimony in Support of SB 916

To the Senate Committee on Labor and Business:

I have been in a place where I was worried about supporting my family if my union members and I decided to strike. You can change that and support us and other unions.

Thank you for the opportunity to provide comment and I look forward to your support,

Amber Boarini
