

Submitter: Janel Sigley

On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: SB916

I strongly oppose SB 916. I myself am a union member and do not feel it is ethically right to take benefits away from those who do not have a job at all, not just a job they have chosen to pause for a strike. This bill would not just encourage workers to strike, it would also cause a strike vote to not be impartial or of one's own will. I urge you to scrap this bill.
